2022 Annual Report

A Letter from the Foundation President

“We make a living by what we get, but we make a life by what we give”.

As we take this time to reflect and celebrate the successes of 2022 this quote from Winston Churchill rings true.

To our donors, sponsors, community partners, and friends, thank you for your support. Whether you chose to give through your time or through your treasure, we appreciate your contribution to the Foundation and appreciate your continued confidence in us. You truly are the base upon which our organization is built and for that we thank you. To our Board members, thank you for exemplifying our mission and vision within and outside of the Decatur County community in your daily lives. I'm humbled to be a part of this organization and even more humbled to be supported, and encouraged, by such a dedicated group of individuals. To our staff, Mandy and Grace, thank you for the persistence, dedication, and passion that you each demonstrate on a daily basis. Please know that it does not go unnoticed.

Through your support, Decatur County Memorial Hospital staff were able to pursue funding for equipment, supplies, and education that will allow them to continue to grow and build upon the excellent care already provided by Decatur County Memorial Hospital. It is through this support that Decatur County Memorial Hospital is able to fulfill its mission to be the gateway to health and wellness in our communities by delivering quality healthcare and wellness leadership through best practices and innovative partnerships.

As we turn the page on 2022, it is with great excitement that I turn my attention to 2023 and the many exciting opportunities that it brings. No matter your role in the on-going success of the Hospital Foundation of Decatur County, I thank you and look forward to your continued partnership throughout 2023.

Sincerely,

Jacob Evans

Jacob Evans, Board President

Mission:

My DCMH Employee Giving Fund was created to support the employees of DCMH, TCMP and DCPC.

The “My DCMH” committee offers two grants cycles per year.

Total awarded up to \$5000.00 for each request.

An ongoing and growing Employee fund allowing DCMH Staff to take an active role in how the hospital grows and meets the needs of both personnel and patients.

My DCMH grants approved for 2022:

Decatur County Memorial Hospital EMS recieved a new outdoor seating area.

My DCMH Tumblers

Decatur County Memorial Hospital was founded to serve the community and remains a community-owned hospital. The world of healthcare has changed drastically since 1922, and your support is more important than ever. The Hospital Foundation created the 1922 Club raising funds every year to support the initiatives of Decatur County Memorial Hospital, and this serves as our Annual Appeal.

OTHER WAYS TO GIVE

Special Gifts

Gifts to support the important work at DCMH are accepted at any time. They can be in the form of appreciated securities, check, credit card, life insurance or even real estate. Those contributions of \$1,000 or more are given special recognition on a permanent plaque located in the facility.

Memorial & Tribute Gifts

Often times a donor is seeking the perfect way to memorialize someone or honor a special individual. Memorial and tribute gifts allow this expression to take place and a tailored acknowledgement to be sent to the person honored or the family of someone memorialized. The gift is made even more special as it continues the important work at our Hospital.

Gifts of Assets

Gifts of appreciated securities or other holdings can often offer tax advantages for the donor. Such gifts are coordinated in partnership with the donor’s tax advisor.

For more information on any of our giving opportunities please contact our Foundation Director, Mandy Lohrum at (812) 663-1220 or foundation@dcmh.net. You will also find more information at www.dcmh.net/foundation

Daffodil Project

New daffodils are planted every fall representing the previous year's contributions, thanks to the volunteer assistance of Greensburg High School's Landscape Management Class. A special acknowledgment of your donation may be sent to the individual being honored or to their family in case of memorials. These inspiring gifts provide pleasant reminders of your generosity each spring, returning year after year with a message of hope and promise.

Contributions may be made online or in our office at any time throughout the year. Donations received by September 11 will be planted in the fall of the same year. Those received afterward will be planted the following fall.

We appreciate your consideration and if you should have any questions regarding the program or other giving opportunities, please don't hesitate to contact our office at (812) 663-1220 or email us.
