

Drug & Alcohol Screening Services

- We offer a variety of options for screenings to ensure an effective drug and alcohol program for your company. Our experienced staff are all DOT certified drug and alcohol test collectors to ensure efficient and effective testing protocols. We can provide drug screens for a variety of cases, including pre-employment, random, post-accident, reasonable suspicion, and return to duty. We offer:
 - **Collection Only**
 - **DOT**
 - **5 Panel Send Out (Lab)**
 - **10 Panel Send Out (Lab)**
 - **Saliva**
 - **Hair Follicle**
 - **Breath Alcohol Testing**

Random Drug Testing

- We can enroll your company in our random drug testing pool with assurance of a standardized random selection process. Our staff maintain the random pool and can adjust to your specific requirements. Random drug testing programs can help ensure your company's safety by preventing accidents and encouraging a productive, positive work environment.

Onsite Drug Testing

- Let us come to you and assist you in maintaining a drug-free workplace. Onsite drug testing eliminates the need for employees to leave the work-site and ensures compliance with your company's random testing program.
